TERMS & CONDITIONS

(15 May 2025)

*When you make a booking with us you will receive a confirmation, by email, to the email address you provide on the booking form. If you do not receive this, please check you have given the correct email address and/or check your spam/junk mail. Those with a Hotmail (and some other) accounts sometimes find our emails get tangled up in their spam filter. **IMPORTANT:** If this happens to you, please be sure to amend your junk mail settings to allow future email correspondence from us with regards to your booking. This forms a contract between us, but we reserve the right to cancel or refuse any booking should we choose to do so without explanation.*

The Contract: The contract for a short-term holiday rental will be between Iris Males, owner (referred to as us or the owner) and the person making the booking and all members of the holiday party (referred to as, you or your) in the following booking conditions. UK law will govern the contract. The contract of hire is not effective until we have received the deposit (or balance — whichever is due at the time of booking). The contract will be subject to these booking conditions and must be complied with. The party leader must be at least 18 years of age at the time of booking and the booking form **must** list names (and ages if children are included) of your party. Subletting is not allowed. This is important for insurance purposes. The named booker is

responsible for all payments and must ensure that accompanying guests receive a copy and abide by our Terms & Conditions. The named booker is responsible for forwarding to other members of their party any correspondence sent by us in relation to their booking.

Payment: Bookings are confirmed on receipt of the booking form and a deposit of 25% of the accommodation cost (or the balance if within 6 weeks of the holiday date). Accommodation will not be reserved without the appropriate payment. You will receive an email thanking you for your booking when both has been received. The balance of the rental (plus a £100 refundable security/damage deposit) will be due for payment 6 weeks prior to the holiday commencement date at the latest. The balance due date will be shown on your booking summary. Non-payment of the balance by the due date shall be construed as a cancellation of the contract by you and we reserve the right to cancel a holiday where payment has not been received 6 weeks before the commencement date. If the booking is made within 6 weeks of the holiday start date, then the full rental price will be required. No entry to properties will be allowed without payment, in full, being cleared beforehand.

Non communication will result in the booking being automatically forfeited. Failure to make full payment of the balance in the time period stated above will result in the booking being cancelled and the deposit being forfeited unless pre-arranged between the Hirer and us.

All payments will be acknowledged by us and payment reminders sent by email. Please check your junk mail, especially if you have a Hotmail email address.

Security/Damage Deposit: A refundable security deposit of £100 will be added to your balance. You are legally bound to reimburse us for replacement, repair or extra cleaning costs on demand. Your security deposit will be refunded to you within 7 days of departure providing we have not had to deduct from it in respect of a breach of our Terms & Conditions, any damage, breakages or additional cleaning to the cottage(s), premises or its' facilities.

Cancellation and changes by you: All cancellations must be requested by email to LVAC.wales@gmail.com. We will respond within 24 hours. If you do not receive a response within that time, please contact us by text message on 07942 861647 or ring us on our landline 01938 820407 within a further 24 hours to ensure we have received your request.

If you cancel up to 42 days prior to check-in your deposit will be refunded less a £50 per booking administrative charge. If you cancel from 42-8 days before check-in attempts will be made to re-let the property by us for the period of the booking. If re-letting the property is successful for the whole period, all the monies paid less an administrative charge of £50 per booking will be refunded. If re-letting the property for part of the period booked is successful, an amount equal to the money paid by the Guest less the rental for the period which is not re-let and an administrative charge of £50 will be refunded. If it has not been possible to re-let the property at all then all monies paid by the Guest shall be forfeit to us. All reimbursements will be made on the scheduled check-out date of your original booking. If you cancel 7 days or less prior to check-in or if you decide to leave the property before your scheduled check-out day all monies paid by the Guest shall be forfeit to the owner.

Cancellations due to Covid-19 (or variant of)

Bookings that cannot legally go ahead due to Government restrictions will receive a credit voucher for the fees paid to enable the Guest to rearrange their booking. Cancellations due to government lockdowns or guidance including Tiers will be checked on the home address provided by the Guest at the time of booking. The above guarantee does not cover you (or members of your party) for being unable to travel because you (or a member of your party) fall ill with Covid, or are required to quarantine or self-isolate. These events can be covered by you (and your party members) by taking out travel insurance. There are a number of policies that include cover for illness with Covid and self-isolation (examples below) or you can look for suitable cover on comparison websites.

We are not selling, promoting, endorsing or recommending any particular product and do not benefit financially from, nor have any formal relationship with, any of these providers:

It is strongly recommended that Cancellation Insurance is purchased at the time of booking.

Change of Dates or Property Booked: Once a booking has been accepted it can only be changed to another property &/or date by treating the original booking as a cancellation.

Cancellation and changes by us: We do not expect to have to make any changes to your booking, but sometimes problems occur, and bookings have to be changed or cancelled or errors corrected. If this does happen, we will contact you as soon as is reasonably practicable, inform you of the situation and refund payments already made.

Circumstances beyond the control of the owner (Force Majeure): If for any reason we have to cancel your booking in advance due to circumstances beyond our control for example fire, flood, exceptional weather conditions, epidemics/pandemics*, destruction/damage to the property ("force majeure") you will be refunded the full amount of the booking. If we have to terminate your holiday early for the above reasons you will be refunded part of the accommodation costs based on the time remaining of the booking. This will be the full extent of the liability of the Owners. No additional compensation, expenses or costs will be payable.

*In the event of an epidemic/pandemic we will follow Government policy strictly and inform you accordingly. We expect you to also comply with Government guidance including vacating the property and returning home from your holiday early should it be deemed necessary (see below).

Liability: As far as the law allows, Iris Males shall not be liable to you or your party for loss, damage or injury to you or any of your party or your/their property or vehicles as a consequence of this agreement or the occupancy following thereon. You indemnify Iris Males and any other person on the property related against loss, damage or injury sustained to the property or any persons as a result of any breach of these conditions or arising from the fault of you or any member of your party.

Right of entry: We shall be allowed reasonable right of entry to the property at all reasonable times for purposes of inspection or to carry out any necessary repairs or maintenance.

Accuracy of details: The website is as accurate as possible but cannot be warranted, nor do the descriptions form any contract. Whilst every effort is made to ensure accuracy of property descriptions and images, the facilities, furniture and services may alter. We reserve the right to alter or improve any of the subjects without notice.

Arrival & Departure: In order to prepare the cottages between hirers, we ask that you arrive **after 4.00pm** and leave **by 10.00am** on your departure date. Failure to adhere to the above times will result in you being charged a further days rental. You must not use the property except for the purpose of a holiday during the holiday period, and not for any other purpose or longer period. The agreement to stay in the property for the holiday period, does not create the relationship of Landlord and Tenant between the parties. You shall not be entitled to a new tenancy, or to any assured short hold or assured tenancy or any statutory protection under the Housing Act 1988 or other statutory security of tenure now or at the end of the holiday period.

Your obligations: Once your deposit is paid you have entered into a contract with Iris Males and you are bound by our T&Cs and agree to the following:

- a) To complete and adhere to the information given on your booking form. Once your deposit is paid your booking is considered definite and you are bound by our T&Cs.
- b) To pay your balance on time. If your balance is not paid on time you are in breach of contract and your holiday will be cancelled.
- c) To advise us of immediately of any breakages, losses or damage caused by you to the property or its' facilities, the cost of which may be deducted from your security deposit.
- d) To take all reasonable care of the property and its' facilities and leave it in a clean and tidy condition at the end of your holiday. You will be responsible for any additional cleaning costs (if incurred) which may be deducted from your security deposit.
- e) To inspect the property on arrival and inform us of any problems with the facilities within 12 hours of your arrival to enable us to try to rectify the issue(s) concerned.

- f) To permit us reasonable access to the property to carry out urgent maintenance.
- g) Not to sublet or share the property except with the persons included on the booking form or subsequently included by agreement. The maximum number of persons allowed and paid for at the property must not be exceeded. We reserve the right to terminate hire without notice and without refund where this condition is breached.
- h) Not to do or omit to do something which may be or become a nuisance to the Owners accommodation or property.

Numbers of Guests & Pets & Change of Guests: The number of persons and pets occupying the cottages and the number of horses being brought must not exceed that stated on the Booking Form, unless agreed previously, by email, with the owners. Should it be necessary to change the name of guests attending your holiday please advise us by email, together with any change to the bed set up previously requested, at least 24 hours prior to your check-in date. Should you wish to bring additional dogs and/or horses please advise us by email at least 24 hours prior to your check-in date.

Access: From the B4395 turn into a single-track country lane with passing places. Watch out for some potholes and free running farm animals i.e. chickens and the odd neighbouring sheep. Please drive slowly and carefully. **Parking:** is provided via a dedicated guest car park a short distance from the farmhouse. Please be aware you are parking at your own risk, and we cannot be held responsible for any loss, damage or theft that may occur.

Electric car charging: We do not provide electric car charging on site. It is forbidden to charge your electric car via extension leads anywhere on our farm. This invalidates our insurance. For fast charging in the local area: <https://www.zapmap.com/>

Dogs Indoors: Well behaved, fully house-trained dogs are most welcome at £15 each per stay. **No dogs allowed on or in the beds in the bedrooms.** A charge will be made if additional cleaning is required and/or as a result of evidence to show your dog(s) have been on our bedding. Crates are available for £5/crate during your stay if you feel this may be of use. Please bring your own dog bedding and towels.

If you allow your dogs on the lounge furniture, please bring a blanket to protect the furniture. Dogs must not be left unattended in the accommodation at any time unless they are kept in a crate **and the Owners have been consulted in advance and agree.** Do not leave dogs in crates which are not used to be left in a crate and get stressed.

We take pride in our accommodation. Please clean up after your dogs, particularly if they are moulting and when they foul on the grounds (a bin is provided for the latter).

Dogs Outdoors: Dogs are required to be kept on a lead at all times on and around our farm- without exception. This is due to our horses and other livestock on our farm as well as other livestock in the immediate vicinity.

The nearby large Dyfnant Forest is just 5 min drive by car or 20 min walk from our property. It's a dog walkers heaven and there is plenty of opportunity for your dogs to run free off lead and have a good run.

All dogs must be up to date with flea and tick treatments (natural remedies are accepted). Dogs with contagious conditions such as kennel cough, fleas etc must not, under any circumstances, be brought onto the premises. Should it be necessary to close our accommodation due to flea infestation you will be liable for the cost of treatment to deal with this together with our loss of income resulting in closure of the accommodation until such time as it is deemed safe to let again.

Horses: Use of DIY livery is charged at £20 per night for each stabled horse and £10 per night per field kept horse/turnout. **Horses must be fully insured with public liability insurance for any damage they may cause, a copy of which is required with initial booking, clearly showing owners address, and insurance dates.** You warrant to us that your horse is in a state of good health and free from any infectious disease at the time of booking and during their stay. They must also be of a reasonable demeanour and temperament. Please wear Hard Hats and suitable footwear when handling and riding horses on the property for your own safety. If we feel it is necessary to call a

veterinary surgeon, you will be liable for any such fees. In the event that your horse passes away during your stay, it will be your responsibility to organize and pay for its removal.

Use of the livery including the use of the field, stable or store shed only. Stabling and storage of your animals, tack equipment and vehicle is entirely at your own risk and they remain your responsibility at all times. **Additional charge for hay and bedding (shavings). Please request in advance.**

Assisted livery can be arranged for an extra charge. Please give us as much advance warning as you can.

We accept no responsibility for any damage caused to you or your horse for anyone or anything either on or off our premises. Riding on forestry, green lanes or roads are ridden entirely at your own risk. We do not accept any responsibility for any incident, accident or injury occurring in such places. In the event of any accident or injury, we should be notified immediately, and an Accident Report form completed. Riders under the age of 16 years old must be accompanied by adults at all times when riding out

Grazing is normally available, but we reserve the right to withdraw grazing when necessary to preserve the conditions of the fields. Please note that all horses always remain the responsibility of their owners. Liability is not assumed in any way whatsoever by us.

Payment of Extras: Any incurred payments of extras such as activities, dogs, outdoor school, hay, shavings etc. must be paid for before departure, either in **CASH** or via **bank transfer**.

Neighbours: Guests are asked to please respect our neighbour's privacy who live next door to the guest car park (and their dogs).

Internet: We do not provide any internet for guests at this property. In exceptional circumstances we will be able to provide you with a TP link ethernet enabled wired connection temporarily. We clearly market and operate a wireless free policy across our entire farm which we expect you to adhere to during your entire stay. The exception is our guest car park. Here you can enable your devices at any time, i.e. mobile phone, laptop etc. and use internet roaming should you need to make contact with people elsewhere.

Horse Trailers: can be dropped off in the main farm yard, due to lack of space in the guest car park. However, cars, pick-ups, trucks etc will have to be parked at all times in the guest car park provided, immediately after dropping off. This is down to wireless enabled functionality inside most vehicles.

Loss or Damage: Iris Males, her employees and her representatives shall not be liable to you or your party for loss or damage to your property howsoever arising. You must take all necessary steps to protect and safeguard your personal property. The Owners cannot accept responsibility for personal injury, theft or damage to cars, bikes, horse drawn carriages etc. Driving to/from the property and parking is at the Hirers' risk.

Cleanliness & Care: The Owners endeavour to maintain high standards of comfort and cleanliness at all times and have a limited time to clean the accommodation in preparation for the next guests. Therefore the Hirer must undertake to keep all furniture, fittings and effects in the same good condition as they were found. This includes leaving the oven/fridge/freezer clean and free from grease, dishwasher emptied with clean dishes/cutlery put away, placing rubbish & recycling in the appropriate marked boxes/bins.

In particular, if your dogs are prone to moulting, please make every effort to clear this before vacating the property — a Hoover, brush, mop and cleaning products are provided. If the accommodation is found in a poor state The Owners reserve the right to charge extra for any additional emergency cleaning required and may refuse future bookings. You must not use the properties for any dangerous, offensive, noxious, noisy, immoral activities or carry out any act that may be a nuisance or annoyance to the Owners who share the property with you.

Accidents & Breakages: The Owners ask to be informed of accidents and breakage to any part of the accommodation or facilities provided. This should occur at the time of the accident or breakage to

be able to repair or replace in time for the next booking. The Owners reserve the right to charge for any non-trivial damage howsoever caused (although we would not charge you for the odd glass or plate, we would like to be told so at the time of breakage so that we can replace in time for following guests). Should any damage, breakages or excessive cleaning bill exceed the amount paid within your security/damage deposit you will be invoiced in full and asked to pay by return. In the event of any dispute regarding this we will take the necessary steps for settlement through the courts, providing photographic evidence as proof.
