

Unplug for Christmas – Connect with What Matters

✦ Christmas Weekends at The Wireless-Free Farm – A Truly Festive Escape 🌲 ✦

This festive season, step away from screens, shopping centres and constant notifications, and rediscover the simple joys of Christmas at **The Wireless-Free Farm – Home of Lake Vyrnwy Animals & Crafts**.

From **Friday 14th November through to Monday 22nd December 2025**, we're opening our gates for **Special German Christmas Weekends** designed to restore, relax and refresh. Arrive **Friday from 4pm**, breathe in the crisp & clean Welsh air, and stay with us **until Sunday 5pm**.

🌲 Why choose the Wireless-Free Farm?

Our 17.5-acre retreat near Lake Vyrnwy offers the rare gift of time and presence. There's no Wi-Fi here — just fields, animals, and human connection. Wander our meadows, share quiet moments with our horses, or curl up with a hot drink by the fire. Every detail is created to help you switch off, slow down and find balance.

Please Note: Your wire-less devices*** can be used for your convenience in the guest car park **only** – at any time.

🐑 Mindfulness with Sheep – The Bryn Y Garreg Longtails

One of the most enchanting parts of your weekend is time with our **Bryn Y Garreg Longtails**. These special sheep seek human interaction rather than running away — approaching with curiosity, gentleness and calm. Our **Mindfulness with Sheep** sessions invite you to slow down, be present, and let their peaceful energy ground and soothe you. *(Please bring warm clothes, coat for all weathers and wellies or sturdy walking boots)*

🌟 Christmas Magic in The Hide Out

A highlight of each weekend is the **Live Accordion Performance** in *The Hide Out* on either Saturday or Sunday — our small, private, converted leathercraft workshop and accordion entertainment venue. Surrounded by warm timber, the gentle scent of leather and festive decorations, Iris will play *Christmas Carols from around the world* on the piano accordion. From **2pm to 4pm**, enjoy Lebkuchen, Stollen, mince pies & refreshments, as music fills the air and Christmas spirit comes alive. Expect nostalgic carols, international favourites, and the cosy joy of old-fashioned entertainment.
